I. APPLICATION INSTRUCTIONS

A. INTRODUCTION

The City of Portland CDBG program is designed to foster innovative and creative programs that address the critical issues facing the City of Portland. The CDBG funds should be seen as seed money for starting or expanding innovative programs. Our goal in funding a program is to help get it off the ground or successfully expand. <u>We strongly encourage new and innovative programs to apply for the 2022-2023 round of CDBG funding</u>.

B. FEDERAL HUD REGULATIONS

1. NATIONAL OBJECTIVES: To be considered for CDBG funding a program or project must meet the following National Objective:

a. Benefit to Low to Moderate Income (LMI) Persons

To qualify for funding under the LMI category, the persons or households served must have income levels at or below 80% of the *area median income* (AMI) as set forth in the chart below. HUD requires stratified income data on beneficiaries. You will need to report which category beneficiaries fall into below 80% of AMI, 50% of AMI or 30% of AMI.

FY 2021 HUD Low to Moderate Income Guidelines for Portland, Maine**

Number in Household	1	2	3	4	5	6	7	8
80% of Area Median Income	\$55,950	\$63,950	\$71,950	\$79,900	\$86,300	\$92,700	\$99,100	\$105,500
50% Area Median Income	\$35,000	\$40,000	\$45,000	\$49,950	\$53,950	\$57,950	\$61,950	\$65,950
30% of Area Median Income	\$21,000	\$24,000	\$27,000	\$29,950	\$32,350	\$34,750	\$37,150	\$39,550

^{**} New income guidelines are expected prior to grant award. All CDBG recipients will be required to update any forms used to collect beneficiary information whenever new income guidelines are made available.

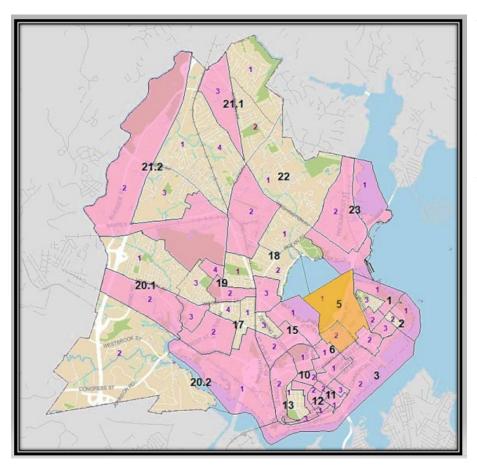

There are two approaches for meeting the Low to Moderate Income qualifications:

i. Low to Moderate Income Limited Clientele (LMC): an activity which provides benefits to a specific group of persons of which at least 51% of the beneficiaries of the activity qualify as LMI persons earning less than 80% of the area median income as defined in the table above. To qualify each individual must establish, by means of financial information on household size and income, that at least 51% of the clientele are persons whose household income does not exceed the LMI limit.

There are certain populations that HUD presumes to be low to moderate income. For programs serving these populations income data does not need to be collected; however, race and ethnicity do. Populations include *abused children, elderly persons, battered spouses, homeless persons, severely disabled adults, illiterate adults, persons living with AIDS, and migrant farm workers.*

ii. Low to Moderate Income Area Benefit (LMA): an activity, which is available to benefit <u>all</u> the residents of an area qualifying under HUD guidelines. HUD has identified neighborhoods eligible to receive CDBG funding based on income data provided by the census and American Community Survey. The eligible areas are shown on the map below and also include Cliff Island, plus Portland Housing Authority. The below map can also be found online at:

http://www.portlandmaine.gov/DocumentCenter/View/26122/2019-Census-map--CDBG-Eligible-Block-Groups-

Other service areas may be eligible on a case-bycase basis. After defining your service area, please contact the HCD Staff to determine eligibility. The current map is based on the 2015 Census the and American Community Survey.

2. LIST OF ELIGIBLE ACTIVITIES: In addition to meeting a National Objective, each project must be an Eligible Activity, including:
