

CAPISIC BROOK PUBLIC PROCESS

- Project Team at Kick-Off (11/09) would likely include city staff, water resource planning consultants, state transportation and regulatory agency staff and the City of Westbrook.
- Additional project team members will be identified during Task 1 and 1A and will be invited to project team meetings.
- Watershed stakeholders will be identified in Task 1 and 1A and will be invited to participate in project team meetings, stakeholder presentations and communication meetings.
- Each stakeholder meeting will be facilitated.
